24th September, 2019.

Dear Parents / Carers,

We have been asked by Flintshire County Council to give all parents / carers the following message:

Have you signed up for My Account yet?

Flintshire County Council now has an account for residents and customers to enable them to access a number of services online.

If you would like to register your child for a school place, check when your bin will be collected or get the contact details for your local councillor on-line, the Council's new My Account is just what you need and you can do it all at a time and place that suits you best.

It's quick and easy to sign up. Go to flintshire.gov.uk/My-Account and register for My Account now!

Over the coming months, the Council will be extending the services available to Flintshire residents through My Account and it will keep you posted as new things come online.

By creating an online account, the information you provide will feed into a centralised system allowing us to process your request much quicker.

If you would like some help getting started, you can go along to one of the Council's Connect Centres and they will be able to help set you up.

School Photographs:

A number of parents expressed a concern about some of the photographs that were taken this morning, of a shadow on the print. After discussion with the photographer, it appears that this is from the printer and should not appear on the final copy.

School Meals:

With immediate effect and as we have started a new academic year, please ensure all outstanding dinner debts are cleared in full. No debts should be brought forward. All school meals should be paid for in advance or on the day. School meals should not be paid in arrears. If your child does have an outstanding debt, a text message will be sent to the contact number on your child's record.

If you are having difficulty clearing your debt please contact Debbie in the school office.

Yours sincerely,

Peter Davies, Headteacher
