Tuesday 15<sup>th</sup> September 2020

Dear Parents, Carers and Guardians,

Just a quick note to say a huge thank you to all parents, carers and guardians for following the new structure that we have in place when entering and leaving school. While I appreciate that the one way system is an inconvenience it is important for everyone's health and safety that it is followed, so thank you again to the vast majority of parents, carers, guardians and pupils for sticking to the rules, we fully appreciate that.

Similarly, if you have more than one child and two different starting times, we understand that this can be confusing and a further inconvenience. However, it is important that the rules are followed and we promise to get pupils in and out of school as quickly as possible. Therefore as a reminder, if you have a pupil in Foundation Phase in Foxes, Squirrels and Hedgehogs, please drop your child off at the correct time and wait on the MUGA until your second child's time slot. Furthermore, if you have two Junior children and different times please wait on the ramp that leads to the bottom Pen Y Maes gates where floor markings clearly indicate where to stand. Please be reassured that we are doing this for your safety and ours. If we all maintain social distancing we have a chance to beat COVID 19.

Finally, could I remind all parents, carers, guardians and pupils to bring just one bag with their reading books and dinner in, as separate bags are not necessary. Also please do not bring in bikes or scooters as the bike shed is now out of bounds.

I do not want to be in a position, where I have to close down any of the contact groups we have in school. However, I will have no alternative but to do this if anyone receives a positive test, as we have already had in one Flintshire school already.

Once again thank you for your continued cooperation in this very important matter.

Yours sincerely,

*Peter Davies*

Headteacher
