Thursday 2nd September 2021

Dear Parents/ Carers,

Welcome back! I hope you all had a very enjoyable summer holiday and are ready for the year ahead. The following is some information to remind you of operational expectations as we move through the Autumn term. As you know Covid restrictions are being lifted throughout the four nations and we are enjoying more freedom as a result. However, schools remain under a tight Risk Assessment and certain restrictions still apply.

Pupils' bubbles have now gone so pupils will be able to go straight to class as they arrive in the mornings. Please remember, parents are still expected to wait at the gate and face coverings should be worn at all times when on the school site. Infants staff will collect pupils at the gate and release them at the end of the day. Junior pupils may go straight to class and will be released at the end of the day at the school gate.

The builders are still here and hope to complete work by mid September. Therefore, the main gate at the Pen y Maes road will be closed to all traffic other than school transport and deliveries. This has worked so well it is set to continue indefinitely.

As cases continue to rise we are very strict on the number of visitors in school so at present there are still no plans for concerts, Fayres or any mass gatherings until we are Covid free. Parents' Evenings will be done virtually and there will be more information to follow regarding this.

On a lighter note , as bubbles have gone we plan to reintroduce extra curricula activities to commence the week beginning 20th September. Again there will be more information sent out nearer the time.

Finally, the cost of a school dinner has gone up to £2.30. If you require any further information, please don't hesitate to contact me at school.

Yours sincerely,

Peter Davies

Headteacher.
