## A Message from Mr Thomas, Acting Headteacher

*Prynhawn da.... Good afternoon*

I would like to start by confirming the message you received this morning that the proposed strike action for Tuesday February 14th has been postponed until Thursday March 2nd. We will review our

risk assessment as we get more information and let you know as soon as we can if this will go ahead.

The children have had yet another busy week. They have been completing a number of activities as part of Children's Mental Health Week. We have also been looking after our environment this week with each class taking part in their own litter pick both in school premises and in the local community.

Some of our Year 6 children were lucky enough to go over to the High School on Wednesday and really enjoyed their Music and Humanities lesson.

The week ended with all the children being able to express themselves by wearing bright colours.

Next week may be our last week before half term but we have plenty planned. The children are having a Science and Technology immersion week and there are lots of fun activities already organised as well as visits. Also, we have got the ever-popular Valentine disco on Wednesday.

The first week back after half term we will be holding our school Eisteddfod which we are really looking forward to holding. Last week you would have received information about our family competition (Information in poster section). The standard we have had in previous years has been absolutely amazing and we look forward to seeing this year's entries. The winning entry will receive a family ticket to the Welsh Mountain Zoo in Colwyn Bay. Remember to get the entries in by Tuesday February 28th.

I hope you all have a wonderful weekend, and we will see you all on Monday.

Kind regards,

*Mr. David Thomas, Acting Headteacher*

## Curriculum for Wales

Please find below some informative links in regard to the Curriculum for Wales:

[Education in Wales is Changing \(English/Saesneg\) - Youtube](#)

[A guide to the new Curriculum for Wales](#)

The Curriculum for Wales is the national curriculum that sets out what children and young people should be taught in schools in Wales. It was introduced in September 2021 and replaces the previous curriculum that was in place.

The Curriculum for Wales is designed to be broad and balanced, providing learners with the knowledge, skills, and experiences they need to thrive in a rapidly changing world. It is based on six Areas of Learning and Experience (AoLEs):

1. Expressive Arts
2. Health and Well-being
3. Humanities
4. Languages, Literacy and Communication
5. Mathematics and Numeracy
6. Science and Technology

The curriculum also includes a set of four Purposes, which outline the aims and values of education in Wales. These Purposes are:

1. To develop confident individuals who are able to think critically and creatively, and who have a strong sense of Welsh and global citizenship.
2. To develop successful learners who are able to work independently and in collaboration with others, and who have a love of learning that will stay with them throughout their lives.
3. To develop responsible citizens who are able to make informed decisions and contribute to the well-being of their communities, both locally and globally.
4. To develop effective contributors who are able to use their skills and knowledge in the workplace, and who have the ability to adapt to change and new challenges.

The Curriculum for Wales emphasizes experiential learning, critical thinking, and digital literacy, and encourages learners to apply their learning in real-world contexts.

## Future Plans

### **Community Engagement**

Isa Lamb, a lady who is very keen to develop community engagement has been working hard to get funding for a project based in Holywell. This will be a project linking Holywell Hospital and Ysgol Maes y Felin with a view to developing the outdoor space as community gardens. As part of the bid for funding, Isa has been asked to get the views of the local community. We would really appreciate it if you could fill out the form below in order to help her raise funds for this project.

### **Fundraisers**

We would really appreciate your help with different fundraising ideas. In order to do this, please could we ask you to fill out the form below. We are looking to fundraise some money for some new and more relevant books for the library.

## Financial Support

### **Childcare Offer**

Do you or someone you know need help with childcare costs? Under the Childcare Offer for Wales, you could claim up to 30 hours of early education and childcare a week, for up to 48 weeks of the year. This government-funded childcare scheme aims to lessen the burden of childcare costs so that you can spend the money you've saved on the things that matter most to your family.

The Offer has already helped parents from all over Wales to return to work, increase their hours or work more flexibly. If you're looking for a job, or thinking about going back into education or training, but are worried about childcare costs, this support could make all the difference.

Whatever the Offer means for you and your family, don't miss out on your share of this childcare funding.

All parents wishing to receive Childcare Offer for Wales funded childcare from January 2023 will need to apply through the [new national digital service](#). The online service is bilingual and can be accessed via a laptop, mobile phone or tablet.

When applying, you will need:

- Your child's birth certificate
- Proof of address
- Proof of household income or enrolment on a higher or further education course

### **Free School Meals (eFSM)**

Some families who meet certain criteria, for example those on lower incomes or in receipt of certain benefits, are entitled to receive a free school meal (eFSM).

On a successful application for eFSM families are then eligible for other benefits to cover the cost of school essentials such as school uniform grants (PDG).

Even though the roll out of UPFSM will begin in September 2022, and eligible year groups will begin to receive free school meals, families who are eligible for eFSM should continue to use the eFSM application process to ensure they don't lose out on other benefits.

For more information on eFSM and uniform grants go to:

## IMPORTANT PARENT/CARER/PUPIL INFORMATION

### EMERGENCY SCHOOL CLOSURE NOTIFICATION PROCEDURE

#### Parents/carers and pupils who are able to access the internet from home.

Flintshire County Council reviewed the procedure for notifying parents/carers and pupils when schools need to close at short notice due to adverse weather conditions or other emergencies. This procedure enables head teachers or nominated back up staff to enter emergency/unplanned school closure details directly onto the Flintshire Website at their earliest convenience via internet access. This ensures speed and accuracy of information, by having all emergency school closure notices in the one place. Parents etc. can then check the one source for all schools closed, especially where siblings are attending different schools. **(Please note schools may still use their own method also for supplying closure information i.e. School Website, Schools Call Voice mail service etc.)**

In order to find the Flintshire County Council webpage in times of severe weather emergencies etc. that could affect schools opening, please visit the website Home page [www.flintshire.gov.uk](http://www.flintshire.gov.uk). A link will direct you straight to the webpage with the full information details entered by the head teacher or the nominated back up staff.

[www.flintshire.gov.uk/schoolclosures](http://www.flintshire.gov.uk/schoolclosures)

**NB** This will also automatically update the Council's Twitter to help provide another channel for notification of school closures.

[www.twitter.com/flintshirecc](https://www.twitter.com/flintshirecc)

**Please Note:** At 5.00PM each day the information on the school closure website page will be deleted automatically. Head teachers from 5.30PM onwards, can then enter the next day's information regarding closure, if known in advance. Otherwise any new closure information will be entered early the following morning.

#### Parents/carers and pupils who are unable to access the internet at home.

- Local radio stations are advised to check the Flintshire web site for the latest information and they can then broadcast it accordingly. So those without internet access should listen to Radio Wales or Heart FM to find out the latest information.
- Or alternatively refer to schools own procedures for notifying parents without internet access.

#### Email notification to parents/carers/pupils

Flintshire County Council has set up additional assistance to parents/carers/pupils who may wish to be notified by email of any school closures as soon as they are logged by the school on the Flintshire County Council website. To receive school closure email notification you will need to register your details and which schools you wish to be notified of on:-

[www.flintshire.gov.uk/schoolclosureregistration](http://www.flintshire.gov.uk/schoolclosureregistration)

At the end of each school year an email containing a link will be sent to all parents/carers etc who have registered to ask if wish to remain registered to receive emails for the following school year for the same schools. All parents/carers who do not respond via the link (by the confirmed date) will have their details automatically removed.

#### School Transport – Bad Weather

If your child/children are entitled to Free School Transport please refer to the School Transport webpage for information regarding bad weather conditions. Please visit [www.flintshire.gov.uk/schooltransport](http://www.flintshire.gov.uk/schooltransport) or phone Flintshire's School Transport Team on 01352 702511/704543.

#### Please note

Due to both Ysgol Maes y Felin and Ysgol Treffynnon being on the same site, if for any reason either school is closed, both schools will close.

**Target School Attendance per week: 93%**

**Whole School Attendance as of 10/02/2023: 87.24%**

Please can I remind parents / carers how important it is, that if your child is not going to be in school, please can you contact the office on 01352 711366 as soon as possible, otherwise this will be marked as an unauthorised absence.

---

*Attendance - what are we doing to improve this?*

---

- 
- Increased parental engagement through stay and play sessions for each year group.
  - Increased family engagement through inviting all classes to a child led assembly, to stay for lunch and attend a school session alongside their child.
    - Free school meal roll out
  - A new childcare provision to ensure wrap around care as part of the childcare offer.
  - Identifying children at risk of persistent absenteeism and supporting them in school
    - A school-based family liaison officer and additional need co-ordinator
    - Inclusion welfare team based in school
- 

*If you have any other ideas, please let us know via Mrs Dickinson in the office.*
