A Message from Mr Thomas, Acting Headteacher

Prynhawn da.... Good afternoon

We have made it to another weekend and we have been so proud of all our children this week who made the big step up on Monday to their new classes. They all looked so grown up and everybody had a lovely day. Thank you to all the new nursery parents who came to spend some time with their children as they start their journey with us here at Maes y Felin.

Our Year 6 children have had a great time as they transition to the high school, they spent two days getting used to their new surroundings and teachers. They finished off the week with three days at Glan Llyn where they learnt new skills and built memories which will last a lifetime. A big thank you to Mr Chesters and all the high school staff and our own Miss Joy and Miss Wild for giving up their own time to allow our children this wonderful experience.

Tuesday saw our Year 5 pupils take part in a STEM afternoon they all had a great time. Also, on Tuesday 'The Wales in Bloom' panel came to judge our school for this year's competition. A massive thank you to Mrs Martin and her Eco group for all their hard work in getting our school looking so fantastic. Fingers crossed for some positive news in the coming weeks.

Wednesday and Thursday saw our Foundation Learning children take part in a fun filled couple of days of Welsh activities. Da iawn to all those who took part.

We ended the week with the Year 4 and 5s doing some transition work down in the Eco area and also, we had some of the Year 3/4 children having fun when their parents visited.

Also, we want to say a massive thank you to Mrs Allman and all our staff for putting on such a fantastic Summer Fayre last week. We were able to raise a magnificent £1,069.40, which will be spent on exciting things for your children over the coming year. There are still a few prizes from the raffle which haven't been claimed, further details can be found later in our Newsletter.

Your children will have received the end of year reports today via Seesaw, if you require a paper copy can you please let your class teacher know. If you wish to discuss your child's report, please contact your child's class teacher to arrange an appointment for afterschool on Wednesday July 12th .

Next week is again a packed week with further STEM activities for Year 5 who will also be busy with their final rehearsals for Dancefest before they perform at Wepre Park, and our Year 3/4 girls will be taking part in a football tournament at Deeside Leisure Centre on Thursday.

Monday sees us start with Cypad the new way to order school meals from home. The system has gone live today and you will be able to order 3 weeks in advance. Please can you discuss the choices made with your children as the choices you make will be given to them. If they disagree with a choice we will keep with the choice of the parent and it can be then changed for the future. If you have any questions, please contact the office.

Hope you all have a wonderful weekend.

Kind regards,

Mr. David Thomas, Acting Headteacher

What have we been up to?

A number of children from years 3, 4 and 5 took part in Forest Schools for the whole of Tuesday morning. They enjoyed a variety of activities including making a fire, den building, and toasting marshmallows.

What have Squirrels class been up to this week?

The children on Squirrels class have had a very busy week, they have been finding out about different creatures that live in the sea. Groups of children worked together to research a chosen creature, it was great to see collaborative teamwork and the excitement of sharing new facts.

The children loved having Mrs Nellist in class on Thursday, they were keen to show her the make-do tools that we have to create and design items. Mollie and Harper made face frames, Mollie made a rabbit and Harper made a footballer.

We have also been busy making bracelets as part of our enterprise project. The children have decided that they will be selling them for £1 next week.

Year 2 had a fantastic time when Mentar Iaithe came to visit. They played some games by giving and following Welsh instructions. The children are looking forward to playing these games independently on the playground. Da iawn, pawb!

Staff Updates for September 23

Some staffing news next. We start by wishing both Miss Allman and Mrs Jenkins (Miss Sandham) good luck as they both start their maternity leave. We hope to hear some good news in the coming weeks. Mrs. Jenkins' position will continue to be covered by Mrs. Stevenson.

We welcome back Miss Moffatt who will be returning as Mrs Bricknell and wish her all the best for her forthcoming wedding. She will be replacing Miss Joy who has done a fantastic job in Llwyfen. We don't say bye for long though as we welcome her back after October half term. She will be replacing Mrs Saunders in Collen who will be replacing Miss Minton as head of department who will be starting her maternity leave.

We also say farewell to Miss Megan Wilde who has been with us for the past two years and has done a wonderful job. She is off travelling before returning to this country to continue with the next step on her journey. Mrs Chloe Davies will be replacing Miss Wilde in Enfys to work alongside Mrs Duffy.

Miss Leah Wild is also off to pastures new as she starts her new role working for AchieveMore. It is lovely to see that she started with us as an apprentice and will now be working for the company where it all started.

Miss Cave also ends her apprenticeship with us and will be starting at University in the Autumn, we thank her for all hard work while she's been here.

We wish all the staff much success in their new roles.

Parent Readers

We welcome parents and grandparents into our school to help as a one off or more regularly. If this is something you would like more information on, please speak to individual class teachers or the office. Please note that an enhanced DBS will be required for all volunteers but this will be organised by school.

Holiday Provision - FSM

As you are aware, holiday provision for learners that are eligible for a free school meal was introduced in response to the COVID pandemic as a form of time-limited support to help families. However, this has now ceased as from May half term and there will be no further extension to cover the summer holiday period or beyond. However, we do have two useful resources that you may find useful: Get help with the cost of living / GOV.WALES

This page is regularly updated and provides information on possible sources of financial support, including our Discretionary Assistance Fund for people experiencing extreme financial pressures. Here to help with the cost of living | GOV.WALES This campaign seeks to encourage people to contact Advicelink Cymru for free impartial advice on maximising their incomes, including accessing any financial support.

The School Holiday Enrichment Programme (SHEP) is a school-based scheme that provides healthy meals, food and nutrition education, physical activity and enrichment sessions to children in areas of socio-economic disadvantage during the school holidays.

The programme is managed by WLGA and is promoted to children and families under the 'Food and Fun' brand identity. For further information, please visit Food and Fun' School Holiday Enrichment Programme – WLGA.

Water Bottles

In the run-up to Summer, we have School Water Bottles available to purchase. They will be £1.50 each. Please come into the Main Office if you would like to purchase one.

Class PE Lessons

On the day where your child has a PE lesson, we would like them to come into school wearing their PE Kit. The kit should consist of black joggers or leggings, plain white t-shirt (school t-shirt is fine), school jumper and trainers.

Please find below list of which days each class have PE. Please note, there have been some changes which will be implemented after half term, please find these changes below.

IMPORTANT PARENT/CARER/PUPIL INFORMATION

EMERGENCY SCHOOL CLOSURE NOTIFICATION PROCEDURE

Parents/carers and pupils who are able to access the internet from home.

Flintshire County Council reviewed the procedure for notifying parents/carers and pupils when schools need to close at short notice due to adverse weather conditions or other emergencies. This procedure enables head teachers or nominated back up staff to enter emergency/unplanned school closure details directly onto the Flintshire Website at their earliest convenience via internet access. This ensures speed and accuracy of information, by having all emergency school closure notices in the one place. Parents etc. can then check the one source for all schools closed, especially where siblings are attending different schools. **(Please note schools may still use their own method also for supplying closure information i.e. School Website, Schools Call Voice mail service etc.)**

In order to find the Flintshire County Council webpage in times of severe weather emergencies etc. that could affect schools opening, please visit the website Home page www.flintshire.gov.uk. A link will direct you straight to the webpage with the full information details entered by the head teacher or the nominated back up staff.

www.flintshire.gov.uk/schoolclosures

NB This will also automatically update the Council's Twitter to help provide another channel for notification of school closures.

www.twitter.com/flintshirecc

Please Note: At 5.00PM each day the information on the school closure website page will be deleted automatically. Head teachers from 5.30PM onwards, can then enter the next day's information regarding closure, if known in advance. Otherwise any new closure information will be entered early the following morning.

Parents/carers and pupils who are unable to access the internet at home.

- a) Local radio stations are advised to check the Flintshire web site for the latest information and they can then broadcast it accordingly. So those without internet access should listen to Radio Wales or Heart FM to find out the latest information.
- b) Or alternatively refer to schools own procedures for notifying parents without internet access.

Email notification to parents/carers/pupils

Flintshire County Council has set up additional assistance to parents/carers/pupils who may wish to be notified by email of any school closures as soon as they are logged by the school on the Flintshire County Council website. To receive school closure email notification you will need to register your details and which schools you wish to be notified of on:-

www.flintshire.gov.uk/schoolclosuresregistration

At the end of each school year an email containing a link will be sent to all parents/carers etc who have registered to ask if wish to remain registered to receive emails for the following school year for the same schools. All parents/carers who do not respond via the link (by the confirmed date) will have their details automatically removed.

School Transport – Bad Weather

If your child/children are entitled to Free School Transport please refer to the School Transport webpage for information regarding bad weather conditions. Please visit www.flintshire.gov.uk/schooltransport or phone Flintshire's School Transport Team on 01352 702511/704543.

Please note

Due to both Ysgol Maes y Felin and Ysgol Treffynnon being on the same site, if for any reason either school is closed, both schools will close.

Target School Attendance per week: 93%

Please can I remind parents / carers how important it is, that if your child is not going to be in school, please can you contact the office on 01352 711366 as soon as possible, otherwise this will be marked as an unauthorised absence.

Financial Support

Childcare Offer

Do you or someone you know need help with childcare costs? Under the Childcare Offer for Wales, you could claim up to 30 hours of early education and childcare a week, for up to 48 weeks of the year. This government-funded childcare scheme aims to lessen the burden of childcare costs so that you can spend the money you've saved on the things that matter most to your family.

The Offer has already helped parents from all over Wales to return to work, increase their hours or work more flexibly. If you're looking for a job, or thinking about going back into education or training, but are worried about childcare costs, this support could make all the difference.

Whatever the Offer means for you and your family, don't miss out on your share of this childcare funding.

All parents wishing to receive Childcare Offer for Wales funded childcare from January 2023 will need to apply through the [new national digital service](#). The online service is bilingual and can be accessed via a laptop, mobile phone or tablet.

When applying, you will need:

- Your child's birth certificate
- Proof of address
- Proof of household income or enrolment on a higher or further education course

Free School Meals (eFSM)

Some families who meet certain criteria, for example those on lower incomes or in receipt of certain benefits, are entitled to receive a free school meal (eFSM).

On a successful application for eFSM families are then eligible for other benefits to cover the cost of school essentials such as school uniform grants (PDG).

Even though the roll out of UPFSM will begin in September 2022, and eligible year groups will begin to receive free school meals, families who are eligible for eFSM should continue to use the eFSM application process to ensure they don't lose out on other benefits.

For more information on eFSM and uniform grants go to:

<https://www.flintshire.gov.uk/en/Resident/Council-Tax-and-Benefits-and-Grants/Free-School-Meals-and-Uniform-Grants.aspx>

Universal Primary Free School Meals (UPFSM)

Whilst families on lower incomes or in receipt of certain benefits may be entitled to support for other school essentials, receiving UPFSM does not automatically qualify them to receive it. To benefit from this additional support parents/carers will need to apply. Applications can be made at www.flintshire.gov.uk/eFSM-E

Families on lower incomes or in receipt of certain benefits, whose children are in year 3 and above, or in secondary school, can still apply for a free school meal and help with other school essentials. For more information go to: www.flintshire.gov.uk/eFSM-E

School Essential Grants – Academic Year 23/24

This year we are trying to improve the process for claiming a School Essentials Grant (formerly Uniform Grant). We are hoping to reduce the need for form filling, and speed up the process of issuing the payments, therefore enabling the majority of parents and guardians to receive the payment before the end of July.

These payments will be issued in respect of children where the parent or guardian is able to answer YES to ALL of following questions;

- Are your children in receipt of eFSM?
- Are your children in Year 1 or above?
- Have you been receiving payments in lieu of eFSM during the school holidays?
- Did you receive a School Essentials Grant (formerly known as Uniform Grant) between 1st July 2022 and 30th June 2023?

If you answer YES to ALL of the questions above, then you do not need to apply for a School Essential Grant this year, as the payments will be issued automatically by 30th July 2023. If you have not received the payment by 30th July 2023, please email freeschoolmeals@flintshire.gov.uk to advise the payment has not been received.

If your child is entering reception, is moving from a school outside of Flintshire, or your circumstances have changed meaning you are now eligible for Free School Meals and a School Essential Grant, you will need to complete an application. This form can be found on Flintshire's website by searching for 'Free School Meals' or by typing in the short URL www.flintshire.gov.uk/FSM.

ORDERING YOUR SCHOOL UNIFORM

How the service works

- To order, visit the home page of our website at www.stitchdesign.co.uk and click on the large 'order your school uniform' button.
- Use the search options to find your school. Please only enter information in one box. If you are having difficulty, it may be easiest to click on the first letter of your school's name and scroll down until you find it.
- Place and pay for your order online. All products shown are as approved by your school.
- Further guidance and information can be found on the 'FOR PARENTS' page.
- Please check your confirmation email to ensure that everything on your order is correct and make a note of the order reference in case you have any queries.
- You will receive an email when your order is being despatched.

When do I need to order?

- Stitch Design analyse your school's uniform requirements each year and aim to fulfil orders as quickly as possible, however supply chains continue to be problematic and will be put under strain by the large volume of orders we process during the Summer so, in order to receive your order in time for the start of term, we advise you place your orders as early as possible, ideally

PLEASE PLACE ALL ORDERS BY THE END OF JULY

If you have any problems

- In the first instance please email our dedicated Customer Service Team at online@stitchdesign.co.uk and we will get back to you as soon as possible.

Support for families

With half term approaching, we know some families may be worried how they will afford daily essentials, as well as providing meals for their children who are off school.

Did you know?

Families who receive the pupil development grant and are in receipt of a means tested or disability benefit may also be entitled to help towards their water bills.
