Seesaw

Please ensure that you download the seesaw app to ensure you are kept up to date with the activities that your child completes in class. We also use seesaw to communicate with you.

Please come and see me if you have any problems accessing your child's seesaw account.

In The Moment Planning

We use in the moment planning to teach your child in school. This means that we don't have specific topics that we focus on each term, we take guidance from the children and follow their interests. Staff are continually observing and engaging with children in real-time to identify their current interests, skills, developmental goals, and tailoring learning experiences and activities accordingly.

Dinners

If your child is in Reception please pre-order your child's meal using the school gateway app.

There is a choice of two hot meals, jacket potatoes, pasta dishes or sandwiches.

Please contact staff in reception if you are having problems with accessing the gateway app.

Snack

Snack is provided by the school.

We have milk and a variety of food including fruit, toast, crackers and cheese, yogurt and crumpets.
